A BIG THANK YOU TO OUR AMAZING SPONSORS

OUR MATCH TONIGHT

Welcome to MATRADE Loftus Road - the historic home of Queens Park Rangers and the heart of today's charity match. Thank you for joining us for another special evening.

It is a privilege to return once again for a night built around community, partnership and purpose. Our continued partnership with QPR reflects values both organisations share: bringing people together, supporting communities and creating a positive impact beyond the game.

This year, we are proud to support the incredible work delivered by **QPR in the Community Trust** across a wide range of community initiatives. The Trust's work makes a meaningful difference through programmes focused on inclusion, wellbeing, education and opportunity..

A cause especially close to our hearts remains **QPR Tiger Cubs**, the Trust's inspiring football team for young people with Down's syndrome. Their passion, energy and sense of belonging are a powerful reminder of what football can represent at its very best.

QPR are more than just our partners; they are an organisation that genuinely understands the importance of community. Through their players, staff and the wider Trust team, they continue to demonstrate how football can create opportunities, inspire people and bring communities together in meaningful ways.

To our sponsors, players, supporters and everyone attending tonight: thank you. Your generosity and continued support help make events like this possible and allow important community initiatives to continue making a real impact.

Enjoy the match and thank you once again for helping make this year's event another memorable occasion.

OUR PARTNERSHIP

NNR

Our relationship with NNR is something that is very important to myself and everyone at the club. It's been such a pleasure to still see Lee and Gary's love for the club, not just through sponsoring and presenting the NNR Women's Player of the Year to Jess Leach, but also the generous contribution to a framed shirt commemorating Ellie Searle's 100th match, which Lee also presented in person.

In addition to the partnership with the QPR Community Trust, NNR also is a great supporter of the Forever R's Club. The association was setup to further enhance and support our engagement with ex-players, managers and coaches. So far, Forever R's has recognised well over 100 former players, managers and coaches who have made a contribution to our history. I want to say a huge thank you for the support shown by NNR - on matchdays and our annual Forever R's golf day - it really does mean so much.

Although they haven't been front of shirt partner to our QPR Women's First Team this season, they are still connected with the team and the players and their

passion and support and still very clear to see. and are frequent attendees at our matches, often the day after attending the men's games!

And of course, yet again they are going above and beyond to help raise valuable funds for both our beloved Tiger Cubs but also a number of other fantastic initiatives from the QPR Community Trust with this wonderful event tonight. Our club, and our Trust, are so much better for being able to have partners like Lee, Gary and NNR. On behalf of all of us, a huge thank you for all your incredible support.

I wish everyone involved a great time tonight!

Powering what matters

From vehicles to vital systems, we deliver dependable performance where it matters most. Trusted by leading manufacturers, professionals and consumers, our OE quality batteries power the everyday and the extraordinary.

GS YUASA

“NNR truly understand what family and community engagement means here at QPR in the Community Trust. Whether it’s through their involvement in the Tiger Feet Walk or running events like today in support of the Tiger Cubs, they continue to play an active role in helping essential projects thrive within our local community.”

OUR TIGER CUBS

Now in its 19th year, the Tiger Cubs programme continues to provide an inclusive football session for young people and adults with Down Syndrome-an environment that supports the physical, social and emotional development of all its participants.

Last summer, NNR’s charity match at MATRADE Loftus Road Stadium raised an incredible £8,000 towards the vital running costs of the programme. Together with the annual Tiger Feet Walk, NNR’s sponsorship and ongoing fundraising continue to play a crucial role in securing the future of the Tiger Cubs, and the QPR family would like to extend sincere thanks to everyone supporting today’s fundraiser at Loftus Road.

Every donation helps to:

- Fund weekly football sessions from venue hire to coaching costs
- Expand opportunities for participation

- Support even more players and families across our community
- Make a real difference to lives through the power of sport

Together, we continue to grow, support and inspire our Tiger Cubs community. This year’s Tiger Feet Walk, now celebrating its 16th year, raised a fantastic amount, just over £24,000 - helping to raise over £30,000 for the Tiger Cubs programme.

Chloe Cooper, QPR in the Community Trust's Inclusive Projects Manager said:

“We are so proud to provide vital opportunities for our community through inclusive sport delivery. This all comes at a cost, and partnerships like the one we have with NNR are a lifeline for us.

“A huge thank you to every single person that has joined us here today and to the whole NNR team for continuing to be such passionate advocates for the work we do at QPR in the Community Trust.”
